

Alignment Notes

--	--

10-12 MINUTES

QUALITY TASK DESIGN

2 Clarity and Focus

- Addresses an essential issue, big idea, or key concept or skill of the unit/course.
- Is linked to ongoing instruction (within a unit of study/course).
- Directions clearly indicate what the student is being asked to do.
- Includes what will be assessed individually by the student (even if it is a group task).

Clarity and Focus Notes

- how do you know individual student performance when working w/ partner or small group?
- Is written piece done by individuals or group?

3 Student Engagement

- Provides for ownership and decision making, requiring the student to be actively engaged.
- Focuses on significant content and addresses authentic problems and issues from the world outside the classroom.

Student Engagement Notes

YES!!!
 includes multiple modalities

4 Criteria and Levels

- Rubric(s) or scoring guide(s) assess all intended parts of content standards.
- Exemplars or models illustrate expectations aligned to standards.

Criteria and Levels Notes

potential to include exemplars from the past
